IN REPLY REFER TO

HDA-CA

Document # 47188

Mr. Will Kempton, Director
California Department of Transportation
1120 N Street
Sacramento, California 95814

Attention: Rachel Falsetti, Transportation Programming, MS-82

Dear Mr. Kempton:

SUBJECT: FY 2004/05 – 2006/07 FSTIP Amendment No. 1 – Madera County
Transportation Commission (MCTC)

The Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) have completed our review of Amendment No. 1 to the MCTC 2004/05 – 2006/07 Federal Transportation Improvement Program (FTIP) that was submitted by your letter dated April 5, 2005. MCTC adopted this amendment with Resolution No. 04-13 on January 19, 2005.

This amendment adds, modifies or deletes projects that include funding from the Surface Transportation Program (STP), Congestion Mitigation and Air Quality (CMAQ) program, Highway Bridge Replacement and Rehabilitation (HBRR) program, National Highway System (NHS) program, and the FTA 5307 and 5311 programs.

We accept this amendment in accordance with the provisions of 23 CFR Part 450. We find that this amendment was developed through a continuing, cooperative, and comprehensive transportation planning process carried out in accordance with the provisions of 23 U.S.C. section 134, and section 8 of the Federal Transit Act (49 U.S.C. app. §1607). Based on our review, we find that changes made to the MCTC FTIP by this amendment do not require new emissions modeling because they were either found to conform as part of a previous regional emissions analysis in accordance with 40 CFR 93.122 (g), or include projects determined to be the types listed in 40 CFR 93.126 & 127 as being exempt from any regional emissions analysis. Therefore, we find this FTIP to conform to the applicable State Implementation Plan (SIP).

This finding has been coordinated with the regional office of the Environmental Protection Agency (EPA) and is provided in accordance with the procedures outlined on the Memorandum of Understanding between the FHWA, California Division, and the FTA, Region IX, dated July 15, 2004, on Roles and Responsibilities for Multi-mode Amendments.

This letter also constitutes approval and inclusion of the MCTC's FTIP Amendment No. 1 into California's 2004/05 – 2006/07 Federal Statewide Transportation Improvement Program (FSTIP).

If you have any questions or need further information, please contact Mr. Leigh Levine of the FHWA, California Division office at (916) 498-5034, or Mr. Ted Matley of the FTA, Region IX office at (415) 744-2590.

Sincerely,

/s/ Leslie T. Rogers
